Housing

Students may choose to live on campus in East Campus Apartments located directly across the street from the Law Center. To access more information regarding East Campus Apartments and to see a detailed description of the apartments, please visit the housing website at www.lsu.edu/housing. Interested students must submit their housing application to the Law Center for processing.

In addition there are several apartment complexes within close proximity to the Law Center, with affordable rates.

If you are interested in looking off-campus for accommodations, visit LSU's Off Campus Housing Locator here: http://offcampushousing.lsu.edu/. This site includes properties for rent and sale, as well as message boards to find roommates, buy and sell furniture, and a resource center with information on safety, links to helpful LSU departments and visitor information. The site is a user-friendly, searchable database for students that includes photographs and floor plans; maps showing the housing location's proximity to the LSU campus; direct links to a property owner's or manager's e-mail, website and application or lease; as well as unlimited text descriptions and lists of amenities.

For more information regarding housing, please contact Telisha Stewart, LSU Law Center, at Telisha.Stewart@law.lsu.edu
